

Healthier fun run

Minya Bunhii Inc children participated in the Golden Circle Fun Run fitness fundraiser last Monday.

Fun Run co-ordinator Kayla Page is extremely proud of the way the children are getting behind the centre to fundraise and thanks Golden Circle Fun Runs for providing every child with a free ice block on the day.

Credit Union Australia showed their support and gave Minya Bunhii a chance to enter into a prize draw to share \$16,000 cash.

Chief executive officer Chris Whitehead said Australia's largest credit union had made a commitment to focus on improving the emotional and physical health of families.

As a result, children have been busy seeking sponsorship from family, friends and members of the community in a bid to help the centre's community raise the required funds.

Jaye Ventura from the Golden Circle Fun Run office said, "We are seeing more and more schools and

centres looking for innovative way to raise extra funding and also promote healthy messages to the community. Minya Bunhii should be proud they are one of them."

Last year over 1000 schools across Australia used the Golden Circle Fun Run program to raise extra funding for computers, shade cloth, books, playground equipment and more. At the same time their students participated in healthy outdoor activities.
