

## Run for funds with Golden Circle

**LOCAL schools have a chance of winning four cash draws from a prize pool of \$4000 just by conducting a Golden Circle fun run.**

The Golden Circle school fun runs have been assisting schools and community groups for more than 20 years by offering a healthier fund-raising alternative with no out-of-pocket expenses.

Students seek sponsorship for their participation and those who raise as little as \$10 are rewarded with an incentive prize.

Credit Union Australia (CUA) is backing Australian schools by offering a \$16,000 prize draw nationally. Schools in NSW and the ACT have a chance of winning four cash draws from a prize pool of \$4000, just by conducting a fun run at their school.

Local schools and community groups that haven't already signed up for the 2009 fun run can still participate, or sign up for 2010.
