

# Kids host Fun Run

ON Friday, August 7, 50 students and staff from Murphy's Creek State School held a Golden Circle School Fun Run and raised \$472.05 in vital funds for their school.

Students pounded the pavements seeking sponsorship from family, friends and members of the local community in order to raise money for Murphy's Creek State School.

Thanks to their enthusiasm and hard work, extra funds are now available to provide new resources at the school.

Murphy's Creek State School's highest fundraiser was Alisha McInnery who raised \$113.40 for the school and received a high achievement medal from Golden Circle for that fantastic effort.

Fun Run organiser Joanne Sinclair-Jones is extremely proud of the way the students rallied behind the fundraiser.

"The students at Murphy's Creek State School have made a tremendous effort to support their school," Chloe

Brearley from Golden Circle School Fun Runs said.

In a major effort to support local communities and families across Australia, Murphy's Creek State School is now in with a chance to share in \$16,000 cash courtesy of CUA (Credit Union Australia).

"Our sponsorship of the Fun Run program is an opportunity to not only support our schools financially but to encourage kids to get outdoors and have a bit of fun through this sporting activity," CUA Acting Chief Executive Officer Chris Whitehead said.

The Golden Circle School Fun Run Program provides an avenue for schools and community groups to raise money and at the same time encourages students to participate in healthy outdoor activities, so thank you to all who made this a success.

Murphy's Creek State School benefits from the fundraising event by retaining 80 per cent of all funds raised in 50 per cent cash and an additional 30 per cent in incentive prizes for the students.
